

Multi Media Policy

Children are allowed to use the computer and games in moderation.

They will be supervised by an adult at all times. When children are accessing the internet they need to ask permission from a staff member before accessing any websites.

When videos or DVD's are used, an adult will sit and view the movie with the children.

All material will be screened by staff members first to make sure that it is appropriate. All material used will be "G" rated.

Age restrictions and guides will be adhered to very closely.
